Designers

Rafa-kids brand is created by architects Agata & Arek Seredyn. The world of design for children opened up to them after the arrival of their two sons, Frank and Robert.

RAFA is called after the first letters of the family members.

Design

Since 2012 Rafa-kids has been a brand for parents looking for unique-design, high-quality furniture for children. The combination of modern esthetic and technical excellence sets Rafa-kids furniture apart and appeals to design-conscious parents.

Sustainable since 2012

Rafa-kids furniture is made in an eco-conscious way. From sourcing materials, producing in a modern sustainable factory in Poland, and minimalising waste. Our furniture is well-made by real craftsmen with care for details. It will pass the test of time and be used for generations.

1 st class Playwood

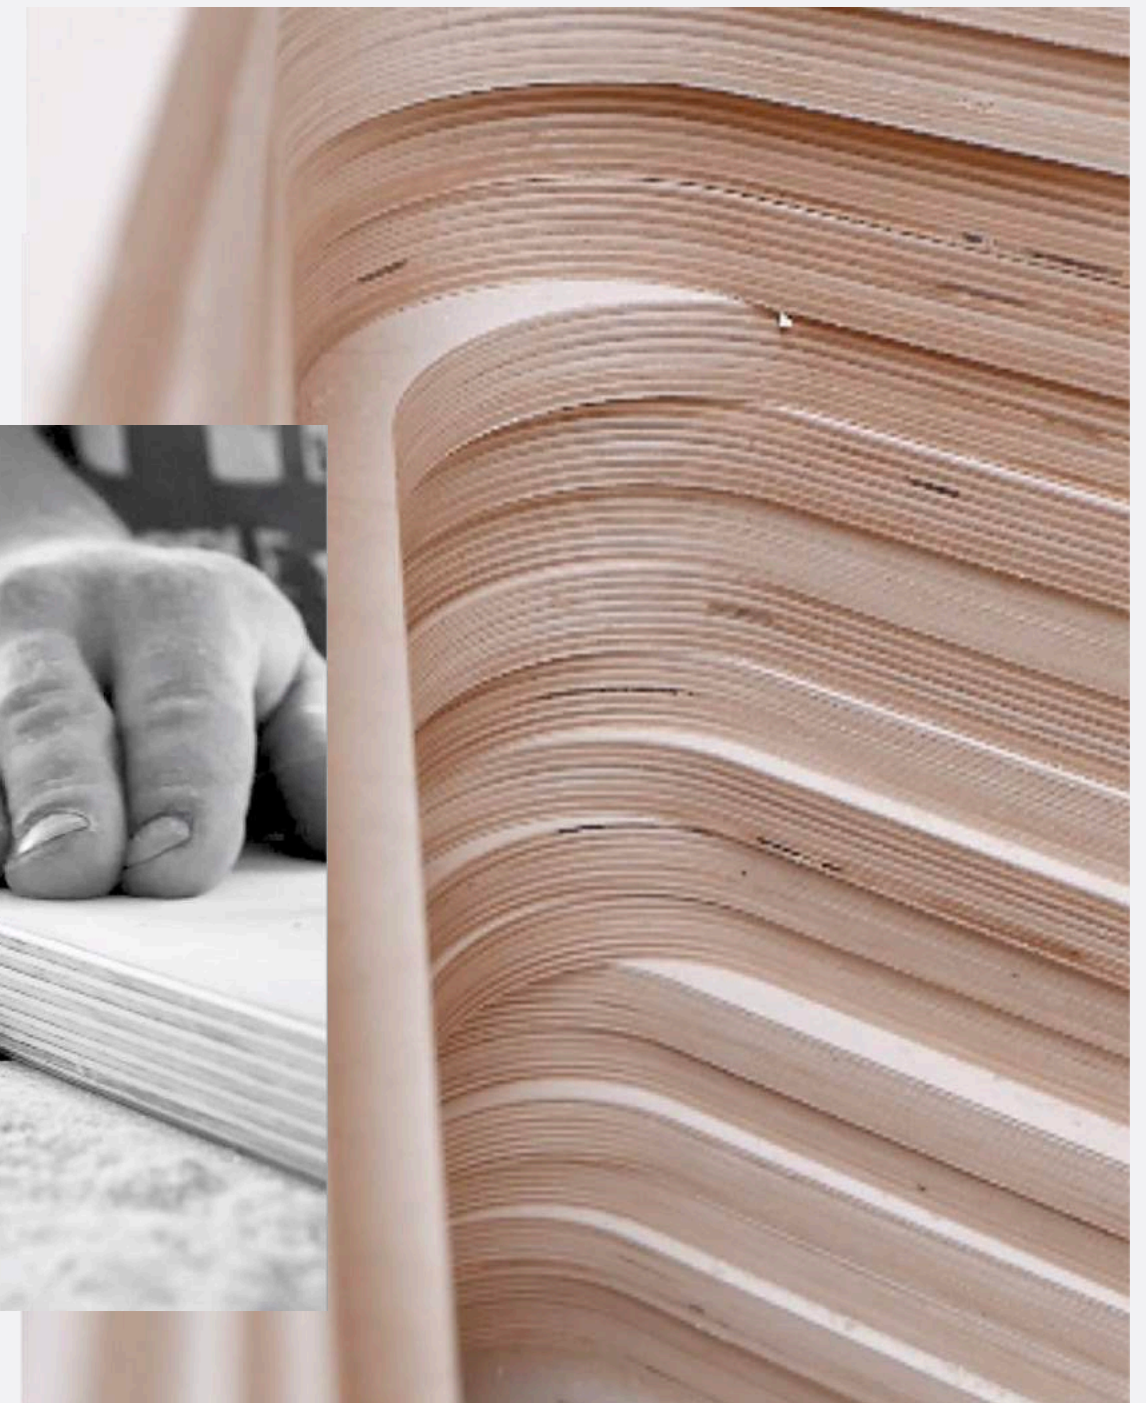

The Finish playwood we have chosen to make Rafa-kids furniture is unique and hard to come by. WE treat every bit of it with extreme care.

LONG LASTING MATERIALS

European production

Rafa-kids partners with a Polish company specialized in producing prime-quality products. And that's where the magic happens!
